

Faunakram 250g dental stick with chicken fill M (10818-20)

10818-20

This lightly chewy, yet crunchy stick with a delicious minced chicken filling encourages dogs to enjoy a snack that is not only great tasting but also helps support their oral care. This functional dental chew helps reduce the build-up of plaque and tartar.

Our new range of crunchy dental snacks in different sizes has been developed in close collaboration with veterinarians, nutrition specialists and pet owners to ensure a high level of customer satisfaction and consistently high product quality. This dental stick is suitable for small and medium-sized dogs.

The packaging features a convenient resealable zip closure to help keep the treats fresh. The large transparent window makes it easy to see and recognise the product you are buying.

The standard languages on the packaging are EN, DK/NO, SE, FI, DE, NL, PL, FR, IT, ES, PT and GR.

Faunakram Pet Food regularly visits the factory for quality control and thereby ensures that the factory meets our requirements for quality and traceability.
