

Faunakram 28pcs dental multibox L (10692)

10692

Faunakram continues on the concept "adapted to size" with a series of tasty dental sticks.

As a good supplement to toothbrushing, you can always give your dog one dental stick a day to improve your dog's oral health.

This dental stick is adapted for big dogs (L) and comes in a smart 28-pack, just right for a month.

Our dental sticks have been developed and tested in collaboration with dietitians, veterinarians and breeders to ensure a snack of the highest quality and a high customer satisfaction result.

The packaging is of high quality with standard languages on the packaging are UK, DK, SE, NO, FI, DE and PL

Shelf life, 18 months from date of manufacture.

Faunakram Pet Food regularly visits the factory for quality control and thus ensures that the factory meets our requirements for quality and traceability.
