## Faunakram 3 x 100g cat pillows fish (10173-10)

Value pack with 3 different types of our popular cat pillow snacks with fish flavor, offers a little more for your money.

This package contains treats with shrimp, cod, and a dental snack with tuna. The cod treat has an anti-hairball function thanks to its content of cat grass, and the shrimp treat is particularly suitable for sterilized cats as it contains Methionine. The treats have a crispy outer layer and a soft inner layer and are perfect as an extra indulgence for your cat.

The treats come in a single package that is divided by flavor and the bag has an easy-to-handle resealable zipper to keep the contents fresh.

The languages on the bag are UK, DK/NO, SE, FI, DE, NL, PL, FR, IT, PT, ES, GR.

The product is produced in China in an IFS, BSI-certified factory. Faunakram Pet Food A/S conducts control checks of the factory several times a year to ensure that our standards for quality and traceability are maintained at the highest level.
