Faunakram 300g dog paté 60% turkey grain free (10188-40)

10188-40

Faunakram dog food is a complete semi-moist wet food that contains all the vitamins and minerals your dog needs. The food contains 60% turkey and consists of delicious, high-quality meat chunks.

The product also contains added vitamins D and E to ensure your dog's nutritional needs are met.

The pate can also be used as a topping on dry food, making the meal even more attractive to even the pickiest of dogs. In addition, it is recommended to give the dog chew bones to ensure healthy dental health when feeding wet food.

The product has been developed in collaboration with nutritionists, veterinarians and breeders to ensure the highest quality and customer satisfaction scores.

Standard languages on the packaging are UK, DK/NO/SE, FI, DE, NL, FR, PL, FR, ES, PT.
