

Faunakram 415g canned wet food for cat chicken in sauce (10174)

10174

Faunakram complete wet food for cats, is a delicious meal with 14% chicken.

The can contains 415g of chicken in gravy that your cat will love. Wet food can be used as a topping on dry food to increase your cat's appetite and food intake.

It is important that the cat receives plenty of water. Feeding wet food to your cat can be a smart way to automatically add fluids.

The product has added vitamins A, D, E and taurine.

The standard languages on the bag are UK, DK/NO, SE, FI, DE, NL, PL, FR, PT, ES.
