Feeding guide:

Complementary food for dogs. Give to your dog as a reward or treat between regular meals, reduce feed intake if needed and ensure your dog always has access to clean water. Store cool and dry. Please close bag properly after each feeding. **Animal feed, not for human consumption.**

NB: It is advised to keep your dog under supervision when giving it rawhide snacks due to the potential risk of large chunks, or badly chewed pieces of the rawhide bone getting stuck in the dog's digestive system.
