

Faunakram 7pcs dental sticks with chicken and beef L (10699-20)

10699-20

Faunakram continues on the concept "adapted to size" with a number of tasty dental sticks.

As a good supplement to toothbrushing, you can always give your dog a dental stick to improve your dog's oral health.

This dental stick is suitable for large dogs (L) and in addition to their tooth-cleaning form, it has a touch of mint and green tea for a fresh breath.

Our dental sticks have been developed and tested in collaboration with nutritionists, veterinarians and breeders to ensure a snack of the highest quality and a high customer satisfaction result.

The packaging is of high quality with standard language on the packaging are UK, DK, SE, NO, FI, DE and PL

Shelf life, 18 months from production date.

Faunakram Pet Food regularly visits the factory for quality control and thus ensures that the factory meets our requirements for quality and traceability.
