Faunakram 800g premium wet food (10187-50)

10187-50

Faunakram premium REAL MEAT wet food for dogs contains 8 tasty, gluten-free portion bags. Of which 4 pcs with chicken in sauce and chicken and beef in jelly.

It is as perfect as topping on dry food to increase the dog's appetite, as a smart way to get more fluid in the dog.

Our wet food is developed in collaboration with nutritionists, veterinarians and breeders to ensure the highest quality and a high customer satisfaction result.

The packaging is of high quality and the portion packaging has a light "tear-off-top" that makes it easy to serve the food. The information on the packaging comes in several different languages; UK, DK, SE, NO, FI, DE and PL.

The shelf life is 18 months from the production date

Faunakram Pet Food regularly visits the factory for quality control and thus ensures that the factory meets our requirements for quality and traceability.
