Faunakram 80g Limited Edition Collagen Sticks Beef & Cod(10085-20)

10085-20

Faunakram 80g Limited Edition Collagen Sticks Beef & Cod (10085-20)

A chewing bone beyond the ordinary in a unique flavor combination of collagen, beef, and cod. Collagen bones provide chewing resistance and are good for the teeth. At the same time, the bone is covered with delicious tender beef combined with cod, which gives the dog great pleasure in gnawing off.

The product has been developed and tested in close collaboration with nutrition experts, veterinarians, and pet owners to ensure the highest level of quality and user satisfaction is achieved.

The packaging is high quality and features a convenient resealable zip that keeps the bones fresh. The large window on the packaging makes it easy to see and identify the product you are buying.

The standard languages on the packaging are UK, DK/NO, SE, FI, DE, NL, PL, FR, PT, ES, GR.

Faunakram Pet Food regularly visits the factory for quality control, thereby ensuring that the factory meets our requirements for quality and traceability.

Feeding guide:

Complementary feed for dogs. Feed as a reward between regular meals. Reduse feed intake if needed and make sure your dog has acess to clean water. Store in a cool and dry place. Please close bag properly after each feeding. **Animal feed, not for human consumption.**

NB: It is advised to keep your dog under supervision when giving it rawhide or collagen bones due to the potential risk of large chunks, or badly chewed pieces of the bone getting stuck in the dog's digestive system.
