Faunakram cream snack for cats 7x15 g. with salmon and duck
(10171-40)

Faunakram creamy cat Snack differs from other cat treats on the market due to its soft and creamy formula. This formula makes it easy to give the treat to your cat by squeezing the desired amount onto their food or directly from the tube, while the cat sits on your lap and enjoys it. This particular snack comes with the taste of salmon & duck mix.

Pamper your cat with the flavorful Faunakram Cream Snack and create great bonding and joy!

These creamy snacks are sold in a box with 7 snacks, one for each day of the week.

Our products are developed in close collaboration with veterinarians, nutrition specialists, and breeders to ensure high customer satisfaction and top quality. Standard languages on the packaging are ENG, DK/NO, SE, NO, FI, DE, NL, PL, FR, IT, ES, PT, GR.

Faunakram Pet Food A/S regularly visits the factory for quality control, thereby ensuring that the factory meets our requirements for quality and traceability.
