Faunakram Pre- & Probiotics 10kg Senior/Light GF Poultry 26-8
(10107-10)

Our Complete Premium Meal for Senior and Overweight Dogs is carefully formulated to meet their unique nutritional needs. With 25% poultry protein, it supports muscle building and maintains a wholesome physique for older and overweight dogs.

This tailored recipe includes natural prebiotics and probiotics for optimal digestion, as well as Omega-3 fatty acids that help promote a shiny coat and joint support. Glucosamine and chondroitin promote healthy joints, which is especially important for senior dogs.

With extra focus on the immune system, the food is enriched with herbs and natural antioxidants.

This 10 kg bag provides a balanced diet that helps maintain ideal weight in senior and overweight dogs, allowing them to live a good and active life.

The food is developed in close collaboration with nutrition experts, veterinarians, and breeders to ensure high-quality feed. It naturally meets the guidelines of FEDIAF (European Pet Food Industry Federation) for a balanced and nutritious diet, including vitamins, proteins, fats, and oils to fulfill your dog's nutritional needs.

All our dry food is produced in Europe, and our factories are IFS-certified.

The standard languages on the packaging are UK, DK/NO, SE, FI, DE, NL, PL, FR, PT, and ES.

The bag is made from fully recyclable materials. Please recycle responsibly to help reduce waste and protect our planet.

COMPOSITION:

Dried poultry protein (25%), green peas, pea starch, dried potato, dried beet pulp, lignocellulose, liver hydrolysate, dried animal protein, minerals, chicken fat, dried chicory (a natural source of FOS and inulin), dried brewer's yeast, flaxseed, fish oil, dried herbs (Yucca Schidigera, Rosmarinus sp., Curcuma sp., Citrus sp., Eugenia sp.), glucosamine hydrochloride, chondroitin sulphate
