

# Faunakram Natural beef bone with stuffing: 92% duck (10096-15)

10096-15

## Faunakram Natural beef bone with stuffing: 92% duck (10096-15)

Faunakram stuffed beef bones – here with a **filling of 92% duck** – belong to our assortment of **NATURAL SNACK**, which are developed for dogs that require a little extra stimulation. Our filled natural bones add a golden touch to your dog's every day life and are a really good snack that your dog can enjoy for a long time. In addition to being a delicious snack, the bone naturally helps with dental care.

The stuffing is, of course grain free.

The product is developed and tested in close collaboration with nutrition experts and breeders to ensure that the highest quality and user satisfaction are achieved.

Sold in a convenient 1-pack.

The standard languages on the packaging are UK, DK/NO, SE, FI, DE, NL, PL, FR, IT, PT, ES, GR.

Faunakram Pet Food regularly visits the factory for quality control, ensuring that the factory meets our requirements for quality and traceability.

### COMPOSITION:

Beef bone (70%), duck (20%), tapioca starch (5%), peanut protein (3%), glycerine (1.8%), fish oil (0.1%), potassium sorbate (0.1%).

## Feeding Instructions:

Complementary food for **adult** dogs.

Give to your dog as a treat between regular meals as part of a balanced diet. Ensure that your dog always has access to clean drinking water. **Not** suitable for puppies under 4 months of age. Dogs should always be supervised during feeding, as bones can splinter.

**Please Note:** We recommend that your dog is supervised at all times when they are chewing on bones or chews. This is a natural product and all natural products have the potential to splinter. Splinters can cause harm to your dog and can lead to choking or internal injury if ingested. It is important that your dog has access to fresh clean drinking water and is allowed to rest after meals to aid digestion.
