Feeding guide:

Complementary feed for dogs. Rewards between meals, reduce regular feed intake if needed. Make sure your dog has access to fresh water. Store in a cool and dry place, please close the bag properly after each feeding.
Animal feed, not intended for human consumption.

NB: It is advised to keep your dog under supervision when giving it rawhide and collagen bones due to the potential risk of large chunks, or badly chewed pieces of the bone getting stuck in the dog's digestive system.
