Faunakram PRO BIOT. 12kg Active dog Chicken & Turkey 30-25 (10115-10)

10115-10

Our complete food for active dogs is carefully formulated to support your dog's energy and performance. With 30% chicken and 4% turkey as protein sources, it supports muscle development and maintenance, which is essential for an active lifestyle.

This recipe contains natural prebiotics and added probiotics to promote digestion, while easily digestible ingredients like chicken, rice, and white fish make it easy for your dog to absorb the nutrients. Omega-3 and Omega-6 fatty acids help promote a shiny coat and support skin function, as well as supporting joints and the immune system. The addition of glucosamine helps care for the joints and support mobility, which is important for active dogs.

Enriched with natural antioxidants from yeast hydrolysate and herbs, this food supports your dog's immune system, helping them stay active and happy.

This 12 kg bag is perfect for dogs that require extra energy and nutrition to thrive in their active everyday life.

The food is developed in close collaboration with nutrition experts, veterinarians, and breeders to ensure high-quality feed. It naturally meets the guidelines of FEDIAF (European Pet Food Industry Federation) for a balanced and nutritious diet, including vitamins, proteins, fats, and oils to fulfill your dog's nutritional needs.

All our dry food is produced in Europe, and our factories are BSI, IFS, and BSCI certified.

The standard languages on the packaging are UK, DK/NO, SE, FI, DE, NL, PL, FR, PT, ES.

The bag is made from fully recyclable materials. Please recycle responsibly to help reduce waste and protect our planet.

COMPOSTION:
Dehydrated chicken (30%), rice, poultry fat, green peas, dehydrated turkey (4%), hydrolyzed poultry protein, minerals, lignocellilosa, dried chicory (a natural source of FOS and inulin), yeast hydrolysate (a natural source of MOS and bèta glucans), glucosamine hydrochloride, dried herbs (Yucca Schidigera, Rosmarinus sp., Curcuma sp., Citrus sp., Eugenia sp.).
