

Faunakram Pre- & Probiotics GF 7 kg. Chicken & Salmon 28-13 (10109-15)

10109-15

Faunakram Pre- & Probiotics 7 kg DOG GF Chicken & Salmon 28-13 (10109-15)

Our Complete Premium Meal for Adult Dogs is a classic dog food for all breeds, ensuring a full and happy dog. With 20% chicken protein, the food helps maintain muscle mass, perfect for keeping your dog active and strong.

This grain-free recipe promotes lean digestion with the addition of natural prebiotics and probiotics. It also contains Omega-3 and Omega-6 fatty acids which help promote a shiny coat and support skin function.

Enriched with vegetables, beets, and peas, it provides extra fiber for easier digestion, while herbs and natural antioxidants strengthen the immune system, ensuring your dog remains vital and energetic.

This 7 kg bag offers balanced nutrition with everything your adult dog needs, whether it's a small, medium, or large breed.

The food has been developed in close collaboration with nutrition experts, veterinarians, and breeders to ensure a high-quality feed. It also naturally complies with the requirements of FEDIAF's (European Pet Food Industry Federation) guidelines for a balanced and nutritious diet, including vitamins, proteins, and fats & oils, to meet your dog's needs.

This dry food is also available in 4 kg (10113-10) and 12 kg (10102-10).

All our dry food is produced in Europe, and our factories are IFS-certified.

Standard languages on the packaging are UK, DK/NO, SE, FI, DE, NL, PL, FR, PT, ES.

The bag is made from fully recyclable materials. Please recycle responsibly to help reduce waste and protect our planet.

COMPOSITION:

Dried chicken (20%), dried potato, green peas, pea starch, poultry fat, dried beet pulp, dried salmon (4%), liver hydrolysate, dried animal protein, lignocellulose, minerals, dried chicory (a natural source of FOS and inulin), fish oil, dried herbs (Yucca Schidigera, Rosmarinus sp., Curcuma sp., Citrus sp., Eugenia sp.).
