Faunakram Pre- & Probiotics 4kg premium GF meal with lamb, for small dogs (10112-10)

10112-10

Our Complete Dry Food for Small Dogs provides your small dog with the essential nutrition for a healthy and active life. With 15% lamb protein, it supports muscle development and maintains your dog's strength.

This grain-free recipe is enriched with natural prebiotics and probiotics to promote good digestion. Omega-3 and Omega-6 fatty acids from flaxseed and salmon oil support strengthened skin and a shinier coat. Vegetables provide the necessary fiber for optimal intestinal function.

Enriched with natural antioxidants, it strengthens the immune system, helping your small dog thrive.

This 4 kg bag is perfect for small dogs and provides a balanced diet that supports their well-being every day.

Standard languages on the packaging are UK, DK/NO, SE, FI, DE, NL, PL, FR, PT, ES.

The bag is made from fully recyclable materials. Please recycle responsibly to help reduce waste and protect our planet.

COMPOSITION:
