Fodervejledning

Som belønning mellem måltider. Juster foderindtag efter behov. Sørg for, at hunden altid har adgang til frisk drikkevand. Hold hunden under opsyn mens den fodres. Opbevares køligt og tørt. **Dyrefoder skal ikke anvendes som menneskeføde. NB: At give sin hund tyggeben er forbundet med en risiko. Derfor anbefales det, at hunden er under opsyn af ejeren, når den spiser tyggeben, da halvspiste bidder kan sætte sig fast i forskellige dele af fordøjelsessystemet.**
