Feeding guidelines:

Supplementary feed for adult dogs. Feed to your dog as snack or reward, at any time, as part of a balanced diet. Always provide plenty of fresh, drinking water for your dog. **Not** suitable for puppies under the age of 4 months. Dogs should be supervised at all times whilst feeding *as bone may splinter*. Treats should be given on a non-stainable surface.

Warning: *This is a natural product and has the potential to splinter. Splinters can cause harm to your dog and can lead to choking and internal damage if swallowed. It is essential your dog has access to fresh clean drinking water and allowed to rest after consumption to aid digestion. It is advised you supervise your dog when they are chewing the bone.*

Additives:

Sensory Additives: lamb & rice Flavour
