Feeding guide:

Complementary feed for dogs. Give as rewards between regular meals, reduce feed intake if needed, ensure your dog has access to fresh water at all times. Store cool and dry. Keep an eye on the dog while its being fed.

Animal feed, not for human consumption.

NB: It is advised to keep your dog under supervision when giving it rawhide or collagen bones, due to the potential risk of large chunks, or badly chewed pieces of the bone getting stuck in the dog's digestive system.
