

Holmegården complete wet food for adult cats 4x85g (10190)

10190

It is important that cats drink enough water. Giving wet food to your cat is a smart way of adding liquid to the diet.

Holmegårdens complete meal for adult cats comes in 4 pouches with 85 grams in each. The 4 different types includes one with beef in sauce, one with chicken and turkey in sauce, one with white fish in sauce and one with liver in sauce.

Taurine, an amino acid that cats themselves can not produce, is added to the meal.

Descriptions on the package comes in following languages: ENG, DE, DK, SE, NO, FI & PL

Composition:

Meat and animal derivatives, cereals, vegetable protein extracts, minerals.
